#### Customer Testimonials - Handsworth Grange School (Sheffield)

*"I returned to work from my holiday yesterday, and I took the opportunity to view the rooms and they look really impressive. T6 is without a doubt the best room in the school..... The quality of your materials and workmanship are excellent. Additionally, I have been really impressed with your customer care and responsiveness to our needs. I feel as though you've gone that extra mile, making our whole experience of using Cloughtons a very positive one."*

#### Customer Testimonials - Foulstone City Learning Centre, Barnsley

*"Cloughtons have supplied this centre with furniture and custom built fixtures and fittings for study areas and IT rooms for the last 5 years. Their service and attention to detail is outstanding and their experience of working with educational settings, especially related to ICT installations, is invaluable. I wholeheartedly recommend them."*
