Bespoke fitted educational furniture

Cloughtons

Furniture for Education

Approved by YPO

Cloughtons is an approved YPO supplier of bespoke fitted educational furniture.

YPO is a professional procurement organisation for the public sector, which creates a bank of high quality suppliers to provide its customers with reliable, best value products.

The public sector is able to use YPO accredited suppliers without having to undertake individual tender exercises.

Selecting a supplier from YPO assures quality, good customer service and a commitment to value for money.

Cloughtons' partnership with YPO demonstrates the growth of an innovative company that has gone from strength to strength over the past few years.

Introduction

Claughtons is a leading manufacturer of exceptionally high quality furniture – across the public, education, private and voluntary sectors. From our purpose-built facility in Yorkshire, we design, manufacture and install furniture to a specification agreed with our customers. On time and safe delivery of quality and best value products and services, linked to our desire to become an integrated part of our customers' team, is what marks us out from our competitors.

We are delighted that the YPO has chosen us a preferred supplier until 2015. The tender process we undertook to become a registered supplier was one of the toughest there is, with YPO setting very high expectations from the organisations that represent their interests.

As an organisation, we have always been dedicated to providing outstanding furniture and products, which regularly exceed our customers' needs and expectations.

In the last year we have been heavily involved in Hull's £400m Building Schools for the Future programme where we provided an all-inclusive furniture and fitting bundle for a number of new facilities across the city - making it easier for them to buy our products and services in the knowledge that we are compliant with UK procurement legislation.

Enclosed is a small sample of our work. If we can help you in any way, please don't hesitate to get in touch.

Gerard Toplass

Gerard Toplass
Managing Director

The University of Sheffield

Design, manufacture and supply of new furniture for the university's cafe area.

“From the outset, Claughtons understood what was needed. Genuinely, we couldn't have asked for more.”

Archbishop Sentamu Academy

Exceeding expectations at Archbishop Sentamu Academy

Preferred furniture supplier for the £33m Academy as part of Hull's £400m Building Schools for the Future Programme.

“We were impressed with the quality of their products and their work on the project has helped to ensure that we have the best facilities in the country.”

Engaged to provide an all-inclusive furniture and fitting bundle for the new Academy.

“Claughtons was just the sort of company we were looking for. Their team is a real pleasure to work with.”

St Patrick's Catholic College

Refurbishing the schools IT Suite.

"From start to finish it was a pleasure to work with Cloughtons. We had complete faith in the company as a whole."

Driffield School

Rejuvenating learning space facilities at the school.

"The staff are knowledgeable, enthusiastic and incredibly professional – reliability is a given."

St John Fisher Catholic High School

Creating a science lab with a difference.

"The design ideas and layouts Cloughtons came up with made sure the school could make decisions quickly, allowing the project to be completed within the tight parameters."
